HOME COMMUNION VISITS

We have parishioners in our community who would love to come to Mass but are unable due to illness, disability, transportation, etc. We would like to thank **Janice Coughlin** for heading up this ministry for the past several years. We appreciate the time she has put into it. We are getting more calls for home visits and so need more volunteers who have a couple of hours after Mass or during the week to take communion & maybe stay a few minutes to chat. It means the world to the people you call on. A short training session can be arranged this fall. Please call the parish office if you can help.

I am writing you to see if any of your members would be interested in participating in this study of radio broadcasting in Canada. We are not necessarily looking for anything very detailed, just things like where the radio was, who listened to it, what they listened to, and any other bits of information and memories similar to that. Anything at all would be very helpful, valued and appreciated. The interviews can be done over the phone by myself or one of my colleagues. The interviews do not necessarily have to be very long, typically they are around 30 minutes. Taking the form of a conversation, the interviews are a wonderful social activity, and we have received positive feedback from participants who enjoyed reliving their memories of radio during this time period.

Adoration of the Blessed Eucharist - All welcome!

Open every day 7 am - midnight (Sundays opens noon)
Come anytime or call **Isabel 741-2085** or **Bernadette 742-3055** to reserve your place for 1 hour per week.
